

Conservatory Scheduling Form

DUE: June 1st

Congratulations on your acceptance into our Conservatory Program! This pre-season scheduling process has evolved out of our wish to provide each camper with a musically rich experience tailored to the camper's interests. This is the first step in the scheduling process, and campers will meet with a staff member and make any changes they may want on the first full day of camp. The Conservatory program's requirements differ from the normal Upper Camp schedule in 3 areas:

1. You will have a total of 2 hours of lessons a week instead of the normal 1.5 hours. We schedule the lessons after we see how you have filled out this form.
2. You are required to take our Master Class; 2 hours a week of diving into advanced topics surrounding musicianship and becoming a music professional.
3. You are **required** to have **2 hours** of practice in your schedule a day

These requirements make for an intense musical schedule! If you can, try to find an hour each day to have some free time or do a non-musical activity.

We have already blocked off our required class times on the Preliminary Schedule. Returning campers will notice we have re-structured Musicianship: it is now called Theory and History, and they are both required! The following are important instructions for filling out this form:

- The Activities sheets include the musical and non-musical activities you may put in your schedule. There are many paths, and some of the activities apply to only certain instruments. Read through these very carefully—you wouldn't want to miss out on a fun class!
- The Preliminary Schedule is for you to fill out! You should fill in every blank space.
- When choosing a musical class, fill in ALL listed times for that class on your Preliminary Schedule. You do not need to fill out all listed times for most non-musical activities.
- FREE TIME: Campers may have 1 hour of free time a day, indicated by marking FREE.
- PRACTICE: All Conservatory Students are **REQUIRED** to take 2 hours of practice **EVERY DAY**
- As you look at the days, please note our Camp runs on its own schedule, and, for example, sometimes a "Thursday" in camp is really a Saturday in the real world.
- Send us your Preliminary Schedule (scanned or photo and emailed to nathan@encorecoda.com) by **June 1st** so we may start scheduling your camper's private lessons. We may move around electives or free time to schedule lessons.
